An Evening of Poetry

Antipodean poets celebrate the launch of the Poetry
New Zealand Yearbook 2018 at Devonport Library

Tuesday 20 March, 7pm

Koha appreciated

Join us for an evening of words and wine. Proudly brought to you by the Devonport Library Associates and Massey University Press, the evening will feature readings by ten poets, including Elizabeth Morton, Alistair Paterson and Albert Wendt.

Keep Tuesday 24 April free for our next event: Two new books, two authors, two Anzacs. One who lost all memory and the other who remembered every minute detail.
